WARRANTY:
Walker Stainless Equipment Co. warrants new tanks or equipment manufactured by us to be free from defect in material and workmanship under normal use and service for a period of 1 year after shipment from the factory.
For breach of warranty of any kind, the measure of damages to be recoverable from Walker Stainless Equipment Co. shall be limited to repair or replacement of the part or equipment which examination discloses to the satisfaction of seller to be defective or the payment of the price of making such repair or replacement, at the option of the seller.
This warranty is expressly in lieu of all other warranties, expressed or implied, and all other obligations and liabilities on our part. Any warranty of merchantability is expressly excluded. We neither assume nor authorize any other persons to assume for us any liability in connection with the sale of our products, and no other warranty will be honored unless in writing and signed by an officer of the corporation. This warranty shall not apply to any product of our manufacture which has been repaired or altered outside our factory, or which in our opinion has been subject to misuse, negligence or accident. Seller will not assume any charges for repairs made during warranty by anyone other than Walker Stainless. Also seller assumes no liability for responsibility for transportation to and from repair point, nor any loss of time to repair. This warranty does not cover components of other manufacturers beyond such warranty as is made by such manufacturer.
Any action for breach of warranty shall be commenced within one (1) year of said breach or be forever barred.

All information including design details and dimensions contained herein are confidential and proprietary and must not be reproduced, disclosed to others, or used in the production of parts shown, unless authorized in writing by Walker Stainless Equipment Company.
